- 
- Individual clubs cannot be forced to honor this agreement so please check with the club near you.
 - Please present your state pictured ID when signing up.
 - Waiver of the sign-up/service fee is not retroactive for current Curves members.
 - Fee waiver must be part of a 12-month check draft membership.
 - The service fee will not be waived for month-to-month memberships.
 - Monthly fees are not reduced or waived, and may vary with locations.
 - Discount can only be offered once per year.

The largest fitness franchise in the world with over four million members, **Curves** offers women an atmosphere where they can feel comfortable, as well as the ability to do a complete cardio-vascular and strength-building workout in about 30 minutes. Spend another 5-10 minutes stretching out and you're good to go. Just three times a week can help build and maintain muscle strength and help with weight loss.
